DON'T SEND FOR THE PLUMBER
Save Time, Money and Annoyance by using
PIPE FLUSH, Central City Chemical Co.
If your SINKS, TOILETS or DRAIN PIPES
are stopped up, PIPE FLUSH will immediately
open all choked or stopped pipes and toilets. It
keeps the KITCHEN SINKS draining freely, de-
stroys odors and protects health.
PIPE FLUSH dissolves dirt, rags, hair, paper,
strings, coffee grounds and grease from the
pipes. Easy to use. Absolutely harmless to the
pipes, plumbing and porcelain.

SPORTS

(Continued from page 3.)

NEXT SUNDAY'S GAMES

A double header is scheduled at Lihue grounds next Sunday as Grove Farm meets Lihue, while Koloa will play the Engineers. In all probability there will only be one game, as the Engineers have apparently given up the ghost.

The Grove Farm-Lihue game should be a ding dong affair as the Farmers have a world of confidence since their win over the McBryde team last Sunday, and Tank will have to make his boys step to beat Hib Case's club. Lihue will be further weakened by the loss of their star player, Bob Okuda, as he is taking a trip to Japan. Tank will probably use Tevis against the Farmers and play Mitsumoto at short.

Manuel Perreira pitched the best game of all the Farmer hurlers last Sunday, but as Lihue seems to have his number in all their previous battles, it is possible that he will not work against them.

This should be a tight game and will be for blood as the two teams are traditional enemies and get more joy out of beating each other than any other team in the league—except, of course, Makee.

Makaweli meets McBryde on the latter's diamond and a much better game than the last meeting can be expected. Makaweli is greatly strengthened since their previous meeting, while McBryde seems to have slipped a little. They do not seem to have the punch that they had at the first of the season, and last Sunday they had several opportunities to tie the score but the old timely bingle was lacking.

A pitcher can not win ball games unless the club behind him gives a few runs, and McBryde showed the lack of scoring ability last Sunday. Tilly cannot pitch shutout games every Sunday, but he can be depended upon to hold his opponents safe, and with the aid of a few runs should win.

Jimmy Burgess' boys threw a scare into Makee last Sunday and figure to throw a bigger one into McBryde next Sunday.

"CHILLY" IS LEAVING TODAY

E. D. Chillingworth, for the past year or more one of the leading spirits in local sportsdom, is leaving Kauai this afternoon for Honolulu where he will make his future home. "Chilly" has been conspicuous in athletics during his stay here, both as a promoter and participant, and he will be greatly missed by the sport fans.

The Garden Island wishes him aloha.

ALOHA

Lihue, Kauai, July 18, 1921.
To the Public of Kauai,

Aloha:

I take this means of expressing my sincere thanks for the many favors and kindly expressions shown Mrs. Chillingworth and me during our stay on Kauai, and I certainly appreciate the fact that my success with sports on this island in the past year was due largely to the efforts of the community at large, Mr. Jennings, Sheriff Rice, Dr. Branch, Chas. Fern, Mr. Wishard, Mr. Wright and numerous other patrons, and also the untiring efforts of Mr. Hopper, who, in my belief, is the backbone of all the sports, through the encouragement and support he extends to any move which would lend to the promotion of "clean sports," and with the aid of the Garden Island, does and is responsible for a large part of the success which the Sporting Fans are enjoying today.

Hoping to see Kauai take the lead and, with the opening of the harbor, be second to none in its growth and importance commercially and otherwise, I again express my gratitude to our many friends and sincerely wish their continued good will.

Yours with aloha,
EDWIN B. CHILLINGWORTH.

HAWAIIAN SUGAR CO. CONTINUES DIVIDEND

Directors of the Hawaiian Sugar Co. announced last Tuesday that the present dividend rate of 1 percent a share, or 20 cents a month will be continued for the remainder of the year. Last year's cash balance and the modest dividends paid enabled the company to continue without curtailment.

The directors also voted to take from the sinking fund sufficient to buy \$500,000 of the 8 percent gold notes of the Crockett refinery, thus relieving the agency of part of the burden taken on in the early days of the Crockett difficulty. Other plantations and agencies are taking similar action.
